CLAIRE PULLIAM AS MATTY BLACKWELL

CHS computer sciences and robotics instructor Bruce Bryant is congratulated by his student, Tate Wilhelm, who nominated him for the Mrs Baird's Teacher on the Rise Award.

CHS Bruce Bryant is among three honored as Teachers on the Rise

LUBBOCK—The United Family and Mrs Baird's Bread® announced the February winners of the 9th Annual "Teachers on the Rise" program recently. Three Amarillo-area teachers were honored: Lorena Baca of Humphrey's Highland Elementary (Amarillo ISD), Brittany Monds of Clarendon Junior High (Clarendon ISD), and Bruce Bryant of Canadian High School (Canadian ISD).

Since the program launched at the beginning of the school year, nominations have poured in from students and families across the High Plains, explaining the ways their teacher(s) go above-and-beyond the call of duty and why they deserve special recognition.

"We want to congratulate all of our teachers and students who were a part of this round of winners," said Nancy Sharp, corporate engagement director for The United Family. "There are so many teachers who are deserving of recognition in our communities. We encourage everyone to keep nominating!"

"This has been a tremendous year for the Teachers on the Rise program so far," said Shane Sumrow, the program's director. "Through these nominations, we have heard countless testimonials about the great things teachers are doing in our classrooms. We select three winners every month, so we encour-

age students to re-enter their teachers if they didn't win and try to be as detailed as possible on why teachers deserve special recognition."

Winning teachers receive a \$100 United Supermarkets gift card, \$100 American Express gift card and a gift basket full of Mrs Baird's goodies. Students who nominate a winning teacher also receive a \$50 American Express gift card.

To nominate a teacher from your school, visit www.MrsBTeacher.com.
